„Success is Made to be Shared“

Please join us as – with a heavy, but thankful heart – we bid farewell to our **Senior Marketing Officer CAROL MA**, who is going to retire after 30 years of unwavering committed service to the "Austrian Commercial Office Taipei". Over her long and successful career, Ms. Carol Ma has been a true 'model employee', an inspiration and example to her many colleagues, partners and friends. In our daily work, we will dearly miss her vast experience, competence & professionalism, as much as her wisdom, warmth and amiable personality.

The values embodied by a natural 'team player' like Carol Ma are reflected in our organization's new **IMAGE VIDEO**: It teaches us "Success is Made to be Shared"! Let us thank Carol Ma TOGETHER – and greet her successor, Mr. Louis Chen, who will assume his new duties on 17 February 2020.

I am looking forward to seeing you at our "2020 Open House ABC"!
